**Death Waits in the Dark** Jun 11 2021 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

(Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers

hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. **Monstrous Opera** Aug 25 2022 One of the foremost composers of the French Baroque operatic tradition, Rameau is often cited for his struggle to steer lyric tragedy away from its strict Lullian form, inspired by spoken tragedy, and toward a more expressive musical style. In this fresh exploration of Rameau's compositional aesthetic, Charles Dill depicts a much more complicated figure: one obsessed with tradition, music theory, his own creative instincts, and the public's expectations of his music. Dill examines the ways Rameau mediated among these often competing values and how he interacted with his critics and with the public. The result is a sophisticated rethinking of Rameau as a musical innovator. In his compositions, Rameau tried to highlight music's potential for dramatic meanings. But his listeners, who understood lyric tragedy to be a poetic rather than musical genre, were generally frustrated by these attempts. In fact, some described Rameau's music as monstrous--using an image of deformity to represent the failure of reason and communication. Dill shows how Rameau answered his critics with rational, theoretical arguments about the role of music in lyric tragedy. At the same time, however, the composer sought to placate his audiences by substantially revising his musical texts in later performances, sometimes abandoning his most creative ideas. *Monstrous Opera* illuminates the complexity of Rameau's vision, revealing not only the tensions within the music but also the conflicting desires that drove the man--himself caricatured by his contemporaries as a monster. **Power Failure** Jul 24 2022 The inside story of a wicked problem ... What should Australia do about climate change? A succession of leaders has tried to answer this question – and come unstuck. Politicians and public servants call it a “wicked” problem – one highly resistant to solution – and many approaches have been developed and discarded by the major parties. Some believe Australia's dependence on coal makes effective action impossible. In this book, award-winning journalist Philip Chubb examines the tenacity of fossil-fuel interests and their allies in business, politics and the media when their power is challenged. He reveals and analyses the political strategies of prime ministers Kevin Rudd and Julia Gillard as they tried to overcome the obstacles created by Australia's carbon-intensive economy. This is a dramatic study of leadership replete with new revelations. Using more than 75 interviews with key figures (including Julia Gillard, Kevin Rudd, Wayne Swan, Greg Combet and Penny Wong), freedom-of-information requests and good old-fashioned leaks, Chubb gives a persuasive account of success and failure in climate policy, and of the strategies that leaders must use in future.

His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance?
