Atomic Habits Summary (by James Clear) May 01 2020 SUMMARY: ATOMIC HABITS: An Easy & Proven Way to Build Good Habits & Break Bad Ones. This book is not meant to replace the original book but to serve as a companion to it. ABOUT ORIGINAL BOOK: Atomic Habits can help you improve every day, no matter what your goals are. As one of the world's leading experts on habit formation, James Clear reveals practical strategies that will help you form good habits, break bad ones, and master tiny behaviors that lead to big changes. If you're having trouble changing your habits, the problem isn't you. Instead, the issue is with your system. There is a reason bad habits repeat themselves over and over again, it's not that you are not willing to change, but that you have the wrong system for changing. "You do not rise to the level of your goals. You fall to the level of your systems" - James Clear I'm a huge fan of this book, and as soon as I read it I knew it was going to make a big difference in my life, so I couldn't wait to make a video on this book and share my ideas. Here is a link to James Clear's website, where I found he uploads a tonne of useful posts on motivation, habit formation and human psychology. DISCLAIMER: This is an UNOFFICIAL summary and not the original book. It designed to record all the key points of the original book.

Summary of Born to Win – [Review Keypoints and Take-aways] Aug 04 2020 The summary of Born to Win – Find Your Success presented here include a short review of the book at the start followed by quick overview of main points and a list of important take-aways at the end of the summary. The Summary of In the 2012 film, "Born to Win," an insightful and practical philosophy for achieving one's goals is presented: "You have to first plan and prepare to win; only then can you expect to win." This book demonstrates how to put this philosophy into practise, from setting a vision and goals to preparing yourself for success and giving yourself the tools you need. It also emphasises the significance of maintaining a positive frame of mind and taking care of one's whole being. Summary of Rich Dad, Poor Dad Mar 23 2022 Summary of Rich Dad, Poor Dad Introduction Key take-away from this book: Being rich is a mindset, not a sum of money. The rich don't think the way that most of us who are trapped in the Rat Race do. The rich buy and build assets that put money back in their pocket. Once their assets are generating enough money to live off, a completely new world of freedom opens up where they can work for themselves rather than working for someone else. The son of one of the authors summed it up well in the book introduction. "Mom, I don't want to work as hard as you and dad do. You make a lot of money, and we live in a huge house with lots of toys. If I follow your advice, I'll wind up like you, working harder and harder only to pay more taxes and wind up in debt. There is no job security anymore; I know all about downsizing and rightsizing. I also know that college graduates today earn less than you did when you graduated. Look at doctors. They don't make nearly as much money as they used to. I know I can't rely on Social Security or company pensions for retirement. I need new answers." The old answer is the Rat Race, "where you work for the owners of a company, for the government paying taxes, and for the bank paying off a mortgage and credit cards. We advise our children to 'study hard, get good grades, and find a safe job or career' but this is risky advice. "That is old advice, and it's bad advice. If you could see what is happening in Asia, Europe, South America, you would be as concerned as I am." Here is a Preview of What You Will Get: - A Full

The Book Thief Jan 01 2023 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Summary of Come On, Man! By Joe Concha May 25 2022 The withdrawal from Afghanistan left 13 U.S. service members dead and hundreds of Americans stranded as Afghans fell from airplanes. 16 American cities set homicide records. More than 2.3 million illegal immigrants entered the country. Inflation reached forty-year highs. And Russia invaded Ukraine. Even the Democrats are so embarrassed, they won't invite Biden to join them on the campaign trail for the midterms.

Summary of Start with Why Oct 18 2021 Summary of Start with Why Start with Why is a book written by Simon Sinek. Someone may ask, what is so special about this book? In this book, Sinek discusses success, but not in the usual, "follow these steps to achieve anything you want," way. Sinek uses a different approach than readers tend to find in other literature of the same type. The very first premise that the author uses to lead us into his book is a premise that contains one simple word: why. Why do some people reach success while others do not? Why do some groups manage to team-up and endure challenges, thus succeeding, while others fail to do so? What is it that makes some people different from others when it comes to achieving success? The entire book revolves around that question word. But the interesting thing about it, which eventually leads to even more interesting conclusion, is that there is an answer to this "why." Sinek uses many examples from real life and from people he knew or had researched, and shows how they managed to succeed. By using these examples, the author shows his readers that if others can succeed, so can we. When it comes to practical answers to "why," the author invests significant effort in finding all the answers. Start with Why is an intriguing and fascinating read, which will surely make readers ask themselves this simple, yet tricky question: why? Here is a Preview of What You Will Get: A Full Book Summary

This complete summary of the ideas from Guy Kawasaki and Peg Fitzpatrick's book "The Art of Social Media" explains how social media has become one of the most effective ways to market a product, promote a business and communicate with customers. In fact, social media is now so important that it can make or break your marketing campaign. This means that it is essential to learn how to use it effectively, by becoming a "power user". There are just three steps involved in becoming a social media power user: build your foundation, amass digital assets and then go to market as required. This summary will take you through every step to ensure you get the most out of social media and extract maximum returns for your marketing dollar. Added-value of this summary: • Save time • Understand key principles • Expand your marketing skills To learn more, read "The Art of Social Media" and learn to use social media to your advantage.

Summary of Crucial Conversations Apr 23 2022 Summary of Crucial Conversations - Tools for Talking When Stakes Are High - A Comprehensive Summary While the phrase "crucial conversation" might conjure up images of important officials gathered in conference rooms, the authors mean it to refer to the dialogues we engage in, every day of our lives. Three things come together to forge a crucial conversation, which is a discussion involving two or more people: opposing opinions, strong emotions, and high stakes. Typically, people handle these kinds of conversations in three ways: they avoid them, they face them and handle them poorly, or they face them and handle them well. Of those three choices, who would not choose the third option, to handle them well? And yet, it usually goes the other way: usually, when we get into "crucial" territory, we bring out our worst behavior. The authors claim that this is because we are designed incorrectly, which means we do not know what to do when a conversation slides out of casual territory. When we hear someone say something that we disagree with, our body reacts in a hostile manner, pumping adrenaline through our veins and diverting blood from the brain. Worse, we are not usually...
