Scribbling in the Sand Study Guide Jan 27 2020

"To this day we have not the slightest idea what it was Jesus twice scribbled in the sand. By and large the commentaries have asked the wrong question through the ages. They labor over the content, over what he might have written. They ask what, without ever realizing the real question is why? It was not the content that mattered but why he did it. Unexpected.

Irritating. Creative." Singer, songwriter and diligent student of Scripture, Michael Card is well known for the depth of his lyrics and the artistry of his music. But far more significant than the songs he has penned is the source of his inspiration--the creativity embodied in Jesus Christ, the incarnate Word of God. In his book Scribbling in the Sand Card explores the biblical foundations of true Christian creativity. Whether we think of ourselves as creative or not, all of us are created in the image of our Creator God, and

thus creativity is a vital expression of our discipleship. This companion study guide provides eight sessions to help individuals and groups interact with the themes of Michael Card's book. With discussion questions, inductive Bible studies and creative exercises, each session provides opportunities for reflection, discovery and application. The user-friendly format makes this guide ideal for small groups, Sunday school classes or anyone who wants to enter into a life of Christian creativity.

**Uncommon Ground** Feb 19 2022 Bestselling author Timothy Keller and legal scholar John Inazu bring together a thrilling range of artists,

thinkers, and leaders to provide a guide to faithful living in a pluralistic, fractured world. How can Christians today interact with those around them in a way that shows respect to those whose beliefs are radically different but that also remains faithful to the gospel? Timothy Keller and John Inazu bring together illuminating stories--their own and from others--to answer this vital question. *Uncommon Ground* gathers an array of perspectives from people thinking deeply and working daily to live with humility, patience, and tolerance in our time. Contributors include: Lecrae Tish Harrison Warren Kristen Deede Johnson Claude Richard Alexander Shirley Hoogstra Sara Groves Rudy Carrasco Trillia Newbell Tom Lin Warren Kinghorn Providing varied and enlightening approaches to reaching faithfully across deep and often painful differences, *Uncommon Ground* shows us how to live with confidence, joy, and hope in a complex and fragmented age. "Loving engagement with folks with whom we

disagree does not come easily for many of us with strong Christian convictions. Tim Keller and John Inazu are not only models for how to do this well, but in this fine book they have gathered wise conversation partners to offer much needed counsel on how to cultivate the spiritual virtues of humility, patience, and tolerance that are necessary for loving our neighbors in our increasingly pluralistic culture." -- Richard Mouw, Professor of Faith and Public Life, Fuller Theological Seminary "For anyone struggling to engage well with others in an era of toxic conflict, this book provides a framework, steeped in humility, that is not only insightful but is readily actionable. I'm grateful for the vulnerability and wisdom offered by each of the twelve leaders who contributed to this book. The task of learning to love well - neighbors and enemies alike - is long and urgent, and it can be costly. And yet, as this book shows us, because it is the work of Jesus, we can pursue this love with great hope." -- Gary A. Haugen, founder and

CEO, International Justice Mission

**She Works His Way** Jun 25 2022 Dear friend, We know it deeply. It is so hard to juggle work, home, and spiritual life. As working women, we've wrestled with tough questions: · How can I be effective in my work, and stay committed to the Gospel? · How can I be dedicated to my family, when my job is so demanding? · Why am I working so hard, and still so unfulfilled? Sound familiar? Like you, we see a culture that promotes success at all costs, and working women are falling for it. It's happening every day. Priorities are shifting. Things are getting done . . . but are we doing what matters most? And that's why we wrote this book. This is the

story of how we traded the lies of the world for the truth of our loving Father--the lessons we learned that challenged culture's "good things" so we could find the greatest thing. The book you're holding in your hands is really a conversation--a conversation that pushes back against our culture with a Gospel-centered approach to work and womanhood, for the glory of God and the good of others. Let's get to work. His way. Michelle + Somer "This is the book for every working woman!"--ALLI WORTHINGTON, bestselling author and business coach
