"My dear friend Jennie Allen shows us how to make true emotional connections with the right people so that our authentic relationships can be healthy for all."—Lysa TerKeurst, author of

It's Not Supposed to Be This Way In a world that's both more connected and more isolating than ever before, we're often tempted to do life alone, whether because we're so busy or because relationships feel risky and hard. [It's Good to Be a Man](#) Feb 29 2020 "Men were made to rule. They always have and always will. Nothing can change that. Nothing will. It is not a question of whether men will be ruling, but which ones and how." From *It's Good to Be a Man* Our modern society has called for us to "smash the patriarchy," and the church has not done much better. Instead of telling men how they can hone and refine their aggressive traits, the church has told men that they should aspire to be meek servant-leaders, and when a man shows any signs of independence, he is shown the door. This leaves

most young men lost. They don't know what to do or how to improve, so they watch Jordan Peterson videos on YouTube to learn how to grow in their masculinity and sense of mission. In this book, Michael Foster and Bnonn Tennant remind men that their natural aggressive instincts are gifts from God that are meant to be used for the kingdom. Men are supposed to found households, join brotherhoods, and work towards a mission. *It's Good to Be A Man* offers men a quick guide to where they are and how they can improve. God made men to be strong and aggressive risk-takers. This is a feature, not a bug. Foster and Tennant remind us that it's good to be a man.

[Find Your People Study Guide Plus Streaming Video](#) Dec 01 2022 In this seven-session study, Jennie covers the breadth of God's plan for His people from Genesis to Revelation and participants will discover how five life patterns can transform the way they connect with others.

Who Is This Man? Oct 31 2022 The day after Jesus' death, whatever small mark he made on the world seemed destined to disappear. Instead, his impact on human history has been unparalleled, leading

believers and nonbelievers alike to ask, *Who Is This Man?* In *Who Is This Man*, bestselling author John Ortberg explores the paradox of Jesus, history's most familiar figure while simultaneously the man no one knows. *Who Is This Man* traces Jesus' incredible life and legacy from his days on Earth to the present moment, showing us: How his vision of life continues to haunt and challenge humanity The ways his influence has inspired movements in art, science, government, medicine, and education How his lessons about dignity, compassion, forgiveness, and hope continue to influence humanity Join John Ortberg as he shares how Jesus' influence has swept over history and how his vision of life continues to impact us today. Praise for *Who Is This Man?*: "Sometimes in the clutter and noise of 'religion,' we lose sight of who Jesus is. Once again, John Ortberg helps us do what he does best: he helps us see God as he really is and connect with him amid all the noise. This book is a gift." --

Dr. Henry Cloud, psychologist, coauthor of the bestselling *Boundaries* books "We live in a period where the divide between the secular and the sacred has never been greater. *Who Is This Man?* bridges this gap by sharing in his inimitable and entertaining style the undeniable and profound impact of Jesus Christ on our world. His impact, over two thousand years later, is more profound on the day-to-day lives of people--believers or not--than the impact of any other person at any point in history. John shows how Christ came to teach us how to live and in the process changed the world forever and for good." -- Ron Johnson, CEO, J. C. Penney

The Master Plan Aug 17 2021
The inspiring, instructive, and ultimately triumphant memoir of a man who used hard work and a Master Plan to turn a life sentence into a second chance. Growing up in a tough Washington, D.C., neighborhood, Chris Wilson was so afraid for his life he wouldn't leave the house without a gun. One night,

defending himself, he killed a man. At eighteen, he was sentenced to life in prison with no hope of parole. But what should have been the end of his story became the beginning. Deciding to make something of his life, Chris embarked on a journey of self-improvement--reading, working out, learning languages, even starting a business. He wrote his Master Plan: a list of all he expected to accomplish or acquire. He worked his plan every day for years, and in his mid-thirties he did the impossible: he convinced a judge to reduce his sentence and became a free man. Today Chris is a successful social entrepreneur who employs returning citizens; a mentor; and a public speaker. He is the embodiment of second chances, and this is his unforgettable story.
