The Skinnytaste Cookbook Apr 24 2022 Get the recipes everyone is talking about in the debut cookbook from the wildly popular blog, Skinnytaste. Gina Homolka is America's most trusted home cook when it comes to easy, flavorful recipes that are miraculously low-calorie and made from all-natural, easy-to-find ingredients. Her blog, Skinnytaste is the number one go-to site for slimmed down recipes that you'd swear are anything but. It only takes one look to see why people go crazy for Gina's food: cheesy, creamy Fettuccini Alfredo with Chicken and Broccoli with only 420 calories per serving, breakfast dishes like Make-Ahead Western Omelet "Muffins" that truly fill you up until lunchtime, and sweets such as Double Chocolate Chip Walnut Cookies that are low in sugar and butter-free but still totally indulgent. The Skinnytaste Cookbook features 150 amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started Skinnytaste when she wanted to lose a few pounds herself. She turned to Weight Watchers for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started "skinny-fying" her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, The Skinnytaste Cookbook is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.

God in a Cup May 26 2022 Follow the ultimate coffee geeks on their worldwide hunt for the best beans. Can a cup of coffee reveal the face of God? Can it become the holy grail of modern-day knights errant who brave hardship and peril in a relentless quest for perfection? Can it change the world? These questions are not rhetorical. When highly prized coffee beans sell at auction for \$50, \$100, or \$150 a pound wholesale (and potentially twice that at retail), anything can happen. In *God in a Cup*, journalist and late-blooming adventurer Michaele Weissman treks into an exotic and paradoxical realm of specialty coffee where the successful traveler must be part passionate coffee connoisseur, part ambitious entrepreneur, part activist, and part Indiana Jones. Her guides on the journey are the nation's most heralded coffee business hotshots: Counter Culture's Peter Giuliano, *Intelligentsia's* Geoff Watts, and *Stumptown's* Duane Sorenson. With their obsessive standards and fiercely competitive baristas, these roasters are creating a new culture of coffee connoisseurship in America—a culture in which \$10 lattes are both a purist's pleasure and a way to improve the lives of third-world farmers. If you love a good cup of coffee—or a great adventure story—you'll love this unprecedented up-close look at the people and passions behind today's best beans. "Weissman illustrates how the origin, flavor compounds and socioeconomic impact of a cup of coffee are relevant now more than ever. . . . Tagging along behind the main characters in today's specialty coffee scene, [she] travels from the exotic to the expected to artfully deconstruct the connoisseur's cup of coffee." —Publishers Weekly

Craft Coffee Jul 28 2022 "Build a better brew by mastering 10 manual methods, from French Press to Chemex, with this comprehensive guide." —*Imbibe Magazine* Named a top food & drink book of 2017 by Food Network, Wired, Sprudge, and Booklist This comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home. Unlike other coffee books, this one focuses exclusively on coffee—not espresso—and explores multiple pour-over, immersion, and cold-brew techniques on 10 different devices. Thanks to a small but growing number of dedicated farmers, importers, roasters, and baristas, coffee quality is at an all-time high. But for nonprofessionals, achieving café quality at home can seem out of reach. With dozens of equipment

options, conflicting information on how to use that equipment, and an industry language that, at times, doesn't seem made for the rest of us, it can be difficult to know where to begin. *Craft Coffee: A Manual*, written by a coffee enthusiast for coffee enthusiasts, provides all the information readers need to discover what they like in a cup of specialty coffee—and how to replicate the perfect cup day after day. From the science of extraction and brewing techniques to choosing equipment and deciphering coffee bags, *Craft Coffee* focuses on the issues—cost, time, taste, and accessibility—that home coffee brewers negotiate and shows that no matter where you are in your coffee journey, you can make a great cup at home. “Engaging and fun . . . I really can't recommend *Craft Coffee: A Manual* enough. If you're even mildly curious about brewing coffee at home, it's absolutely worth a read.” —BuzzFeed

*My Boyfriend Barfed in My Handbag . . . and Other Things You Can't Ask Martha* Dec 21 2021 NEW YORK TIMES BESTSELLER “Wise and funny. . . . The Lorrie Moore short story, or the Tina Fey memoir, of cleaning tutorials.”—Dwight Garner, *The New York Times* “Thrillingly titled. . . . For a generation overwhelmed not just by dust bunnies, but by bong water on the carpet, pee stains on the ceiling and vomit seemingly everywhere, Jolie Kerr dispenses cleaning advice free of judgment. . . . A Mrs. Beeton for the postcollege set.” —Penelope Green, *The New York Times* “Jolie Kerr really cuts through the grease and grime with her new book. I do what she tells me to do.” —Amy Sedaris The author of the hit column “Ask a Clean Person” offers a hilarious and practical guide to cleaning up life's little emergencies Life is filled with spills, odors, and those oh-so embarrassing stains you just can't tell your parents about. And let's be honest: no one is going to ask Martha Stewart what to do when your boyfriend barfs in your handbag. Thankfully, Jolie Kerr has both staggering cleaning knowledge and a sense of humor. With signature sass and straight talk, Jolie takes on questions ranging from the basic—how do I use a mop? —to the esoteric—what should I do when bottles of homebrewed ginger beer explode in my kitchen? *My Boyfriend Barfed in My Handbag* proves that even the most nightmarish cleaning conundrums can be solved with a smile, the right supplies, and a little music.

*Keys to College Success* Sep 25 2019 NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. *Keys to College Success* sets the standard for connecting academic success to success beyond school, showing students how to apply strategies within college, career, and life. This Eighth edition retains *Keys'* tried-and-true emphasis on thinking skills and problem solving, re-imagined with two goals in mind: One, a risk and reward framework that reflects the demands today's students face, and two, a focus on student experience specific to four-year

schools with a more extensive research base and increased metacognition. *Keys to College Success* helps students take ownership, develop academic and transferable skills, and show the results of commitment and action so they are well equipped with the concentration, commitment, focus, and persistence necessary to succeed. MyStudentSuccessLab ([www.mystudentsuccesslab.com](http://www.mystudentsuccesslab.com)) helps students to "Start strong, Finish stronger" by acquiring the skills they need to succeed for ongoing personal and professional development. *Teaching & Learning Experience: Strategies for College, Career, and Life Success* Keys to College Success provides the established KEYS set of tools for success -- an understanding of how coursework connects to career and life goal achievement, and analytical, creative, and practical thinking coverage that empowers a range of cognitive ability. This program provides:

- Personalized Learning with MyStudentSuccessLab: Whether face-to-face or online, MyStudentSuccessLab helps students build the skills they need through peer-led video interviews, interactive practice exercises, and activities that provide academic, life, and professionalism skills.
- College Connection to Career and Life Goals: Infused with a fresh focus on risk and reward, showing that the reward of success in the modern world demands a risk of vision and persistent effort over time. It raises the bar to show students that they must risk action to grow, thrive, and contribute in order to make their college investment pay off in gainful employment, meaningful work, and community involvement.
- Thinking Skills coverage: Comprehensive content with research references lend credibility and perspective to concepts, targeted exercises that explore personally relevant situations in context, and sustained focus throughout each topic.
- Tailored to the Four Year Program experience: Acknowledges global economic change and instability and hones in on student concerns about employability skills and debt management so the four-year college experience is framed in practical, work-relevant ways even as it supports the value of a liberal education. New coverage of resources, topics, and research support concepts. Also Available with MyStudentSuccessLab(tm) This title is also available with MyStudentSuccessLab-an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a plan that helps them better absorb course material and understand difficult concepts. MyStudentSuccessLab should only be purchased when required by an instructor.

*Going Home* Jan 10 2021 'One of the most singular and impressive collections of contemporary stories to appear in Australia.' Adam Shoemaker, *The Australian* From Archie Weller, a pioneering Aboriginal writer, comes an outstanding collection of stories which should, according to Nancy Keesing in the *Sydney Morning Herald*, be read by 'Every one of us, white, black, brindle, old, or about 13-plus.' 'Weller invokes romantic visions of Aboriginal ancestors, kings of the old civilisation with its laws and religions.' L.V. Kepert, *Sun Herald*

*Fixed Income Securities* Aug 29 2022 *The deep understanding of the forces that affect the valuation, risk and return of fixed income securities and their derivatives has never been so important. As the world of fixed income securities becomes more complex, anybody who studies fixed income securities must be exposed more directly to this complexity. This book provides a thorough discussion of these complex securities, the forces affecting their prices, their risks, and of the appropriate risk management practices. Fixed Income Securities, however, provides a methodology, and not a shopping list. It provides instead examples and methodologies that can be applied quite universally, once the basic concepts have been understood.*

*New York City Coffee* Jan 22 2022 *This colorful history explores New York's coffee culture from the brew's initial arrival in the 1600s to today's artisanal connoisseurs. The coffee industry was made for New York: complex, diverse, fascinating and full of attitude. Since arriving in seventeenth-century New Amsterdam, coffee held patriotic significance during wartime, fueled industrial revolution and transformed the city's foodways. The New York Coffee Exchange opened tumultuously in the Gilded Age. Alice Foote MacDougall founded a 1920s coffeehouse empire. In the same decade, Brooklyn teenager William Black started Chock Full o'Nuts with \$250 and a dream. Today, third wave coffeeshops like Joe and Ninth Street Espresso offer single origin pour overs and push the limits of latte art. Through stories, interviews and photographs, author and coffee professional Erin Meister shares Gotham's caffeinated past and explores the coffee-related reasons why the city never sleeps.*

*The World Atlas of Coffee* Mar 31 2020 The worldwide bestseller - 1/4 million copies sold 'Written by a World Barista Champion and co-founder of the great Square Mile roasters in London, this had a lot to live up to and it certainly does. Highly recommended for anyone into their coffee and interested in finding out more about how it's grown, processed and roasted.' (Amazon customer) 'Whether you are an industry professional, a home enthusiast or anything in between, I truly believe this is a MUST read.' (Amazon customer) 'Informative, well-written and well presented. Coffee table and reference book - a winner' (Amazon customer) 'Very impressive. It's amazing how much territory is covered without overwhelming the reader. The abundant photos and images are absolutely coffee-table-worthy, but this book is so much more. I think it would be enjoyable for an obsessed coffee geek or someone who just enjoys their java.' (Amazon customer) For everyone who wants to understand more about coffee and its wonderful nuances and possibilities, this is the book to have. Coffee has never been better, or more interesting, than it is today. Coffee producers have access to more varieties and techniques than ever before and we, as consumers, can share in that expertise to make sure the coffee we drink is the best we can find. Where coffee comes from, how it was harvested, the roasting process and the water used to make the brew are just a few of the factors that influence the taste of what we drink. Champion barista and coffee expert James Hoffmann examines these key factors, looking at varieties of coffee, the influence of terroir, how it is harvested and processed, the roasting methods used, through to the way in which the beans are brewed. Country by country - from Bolivia to Zambia - he then identifies key characteristics and the methods that determine the quality of that country's output. Along the way we learn about everything from the development of the espresso machine, to why strength guides on supermarket coffee are really not good news. This is the first book to chart the coffee production of over 35 countries, encompassing knowledge never previously published outside the coffee industry.
