**The Candy Smash** Mar 08 2021 Poignant and funny, the fourth book in the best-selling Lemonade War series explores the distinctive power of poetry and love—fourth grade style.

**Smashing CSS** Jul 12 2021 PROFESSIONAL TECHNIQUES FOR MODERN LAYOUT Smashing CSS takes you well beyond the basics, covering not only the finer points of layout and effects, but introduces you to the future with HTML5 and CSS3. Very few in the industry can show you the ins and outs of CSS like Eric Meyer and inside Smashing CSS Eric provides techniques that are thorough, utterly useful, and universally applicable in the real world. From choosing the right tools, to CSS effects and CSS3 techniques with jQuery, Smashing CSS is the practical guide to building modern web layouts. With Smashing CSS you will learn how to: Throw elements offscreen/hide them Create body/HTML backgrounds in XHTML Use more than 15 layout techniques including clearfix, two/three simple columns, faux columns, One True Layout, Holy Grail, em-based layout, fluid grids, sticky footers, and more Use a variety of CSS effects including CSS popups, boxpunching, rounded corners, CSS sprites, Sliding Doors, Liquid Bleach, ragged floats, and more Apply CSS table styling including using thead, tfoot, and tbody, row headers, column-oriented styling (classes); styling data tables with jQuery, tables to graphs, tables to maps; and more Use CSS3 elements including rounded corners, multiple backgrounds, RGBA, using jQuery to do CSS3 selections and so much more. Eric Meyer is an internationally recognized expert on the subjects of HTML, CSS, and Web standards, and has been working on the Web since 1993. Smashing CSS is for developers who already have some experience with CSS and JavaScript and are ready for more advanced techniques. Smashing Magazine (smashingmagazine.com) is one of the world's most popular web design sites. True to the Smashing mission, the Smashing Magazine book series delivers useful and innovative information to Web designers and developers.

**Smash!Crash!** Aug 21 2019 Jack Truck and his best friend Dump Truck Dan are spending the day doing their favorite thing...

Smashing and Crashing throughout the whole town! Along the way they meet up with their friends and give us a rollicking tour! But when a mysterious shadow falls and a strange voice calls, is the duo in trouble? Or has a new friend come to town to join in all the smashing fun.

**Smashing jQuery** Sep 14 2021 From the world's most popular resource for web designers and developer's comes the ultimate guide to jQuery Begins with an exploration of fundamental jQuery concepts such as Document Object Model (DOM) scripting Explores writing "Don't Repeat Yourself" (DRY) to gain a comprehensive understanding of these imperative modern techniques and best practices Shows how jQuery enables the user to adhere to these modern best practices with ease The succeeding chapters discuss a specific part of jQuery development such as manipulating the DOM, working with Ajax, and adding slick animation effects through

tutorial style learning approach that utilizes working examples to explore the concept The books caps off by discussing popular ways of extending the core jQuery library with pugins and building web interfaces using jQuery UI

**The Smashing Book #4** Dec 29 2022

Smashing It Up: A Decade of Chaos with The Damned Mar 20 2022 From rank outsiders to pop stardom a decade later, The Damned blazed an anarchic trail through punk rock to achieve massive chart success. A beacon for the Sex Pistols and The Clash to follow, they flung down the musical gauntlet in 1976 with Britain's first punk single 'New Rose'. *Smashing It Up: A Decade of Chaos with The Damned* is their definitive biography, drawing on new, in-depth research and interviews with associates and band members – including founders Brian James, Chris Millar (Rat Scabies), Raymond Burns (Captain Sensible) and David Lett (David Vanian). Conflict was rife: managers and labels came and went; bridges were burnt; opportunities squandered; and Kieron Tyler reveals how – and why – the wayward, wild and wilful Damned are the punk band that survived, and why they truly led the British Punk movement and outshone their contemporaries.

*Smashing H-block* Apr 21 2022 The period from 1976 to 1982 is widely regarded as a crucial turning point in the Irish Troubles. As time has passed the historic prison hunger strikes of 1980 and 1981 have taken on near mythic resonance, somewhat distorting the broader picture of the Irish republican struggle against criminalization. Focusing on the popular movement outside the prisons, *Smashing H-Block* gives us a gripping, thorough account of this fateful time and reveals how these years of protest reshaped and revitalized modern Irish republicanism. Drawing on extensive archival research and the widest range of sources available, F. Stuart Ross paints a compelling portrait of the last great wave of activism and mobilization with the nationalist population. He argues that the protests outside of the infamous H-Blocks of Maze Prison challenged republican orthodoxy, while, more broadly, he examines the importance of popular grassroots movements in effecting political and social change.

**Smashing the Liquor Machine** Jan 06 2021 This is the history of temperance and prohibition as you've never read it before: redefining temperance as a progressive, global, pro-justice movement that affected virtually every significant world leader from the eighteenth through early twentieth centuries. When most people think of the prohibition era, they think of speakeasies, rum runners, and backwoods fundamentalists railing about the ills of strong drink. In other words, in the popular imagination, it is a peculiarly American history. Yet, as Mark Lawrence Schrad shows in *Smashing the Liquor Machine*, the conventional scholarship on prohibition is extremely misleading for a simple reason: American prohibition was just one piece of a global phenomenon. Schrad's pathbreaking history of prohibition looks at the anti-alcohol movement around the globe through the experiences of pro-temperance leaders like Vladimir Lenin, Leo Tolstoy, Thomás Masaryk, Kemal Atatürk, Mahatma Gandhi, and anti-colonial activists across Europe, Asia, Africa, and the Middle East. Schrad argues that temperance wasn't "American exceptionalism" at all, but rather one of the most broad-based and successful transnational social movements of the modern era. In fact, Schrad offers a fundamental re-appraisal of this

colorful era to reveal that temperance forces frequently aligned with progressivism, social justice, liberal self-determination, democratic socialism, labor rights, women's rights, and indigenous rights. Placing the temperance movement in a deep global context, forces us to fundamentally rethink its role in opposing colonial exploitation throughout American history as well. Prohibitionism united Native American chiefs like Little Turtle and Black Hawk; African-American leaders Frederick Douglass, Ida Wells, and Booker T. Washington; suffragists Elizabeth Cady Stanton, Susan B. Anthony, and Frances Willard; progressives from William Lloyd Garrison to William Jennings Bryan; writers F.E.W. Harper and Upton Sinclair, and even American presidents from Thomas Jefferson and Abraham Lincoln to Theodore Roosevelt and Woodrow Wilson. Progressives rather than puritans, the global temperance movement advocated communal self-protection against the corrupt and predatory "liquor machine" that had become exceedingly rich off the misery and addictions of the poor around the world, from the slums of South Asia to the beerhalls of Central Europe to the Native American reservations of the United States. Unlike many traditional "dry" histories, *Smashing the Liquor Machine* gives voice to minority and subaltern figures who resisted the global liquor industry, and further highlights that the impulses that led to the temperance movement were far more progressive and variegated than American readers have been led to believe.

**Smashing Mobile Web Development** Oct 23 2019 Developers, here's what you need to migrate your skills to mobile If you're a devoted reader of Smashing Magazine, you know that all development roads now lead to mobile, so desktop-browser-based web developers need to get up to speed and soon. Start migrating your abilities to mobile with this terrific book. It first helps you make the switch to HTML5 and CSS3, before teaching you how to apply those skills to build websites that work across all mobile devices and mobile browsers. Topics include using wireframes and templates, understanding frameworks such as jQuery Mobile, getting up to speed on newer technologies such as Boilerplate, and more. Essential guide for web developers who want to build websites that work across all mobile devices and mobile browsers Explains the essential tools you'll need for web mobile, including HTML5, CSS3, and JQuery Mobile Brings you up to speed on newer tools such as Boilerplate Keeps your professional skills up to date with today's technology trends By the time you finish *Smashing Mobile Web Development*, you'll have built your own mobile website that incorporates geolocation, social media, and more.

**Robot Smash!** Oct 03 2020 Here's a book about a robot who likes to ... SMASH! He'll smash the usual things, like flowers and soda cans, but that's just the beginning. This smash-happy guy crushes everything from pirates, ninjas and zombies to Brussels sprouts and all-talk radio. Whatever it is, he'll gleefully SMASH it to smithereens. One day, he finally meets something he doesn't feel like smashing: a stylish, super-smashing girl-robot four times his size with sledgehammer hands as big as garbage trucks. Instantly, he's smitten. But while he's deep in daydreams about their robot romance -- SMASH! The oblivious girl robot crushes him flat. It might just be the beginning of a perfect relationship. Minimal text and retro-style 8-bit illustrations lend this story the characteristic feel of an old video game, with each smashed object yielding a bright burst of pixels. Joyful destruction takes center stage in this fun, unique play on

what it means to suffer your first crush.

**China's Economic Challenge: Smashing the Iron Rice Bowl** Feb 19 2022 This book lays bare the reality behind China's efforts at economic modernization by showing: (1) what is happening to the industrial forces that help shape the economy; (2) how economic agents have behaved; (3) what government intentions really are; and (4) how the transition from a centralized to a market-oriented economy has been filled with contradictions and difficult choices. The author examines issues such as China's WTO membership; the Three Gorges Project; the widening differences between the urban and rural areas; the government's efforts to protect its own interests and maintain stability; the impact of reform; and the situation facing state enterprises, the banking system, the agricultural sector, and the environment.

**Smashing Lumpkins** Sep 21 2019 In an effort to get some sleep, Blossom, Buttercup, and Bubbles smash Hillbilly criminal Fuzzy Lumpkins' banjo, but when he starts to use an electric guitar, everyone in Townsville starts to smash-dance to the music.

*Atom-Smashing Power of Mind* Jun 30 2020 A great many passages in this book testify to Charles Fillmore's persistent interest in what is popularly called atomic energy and the promise held out by its development of a better world for mankind. From another standpoint Charles Fillmore's mind was simply fascinated by the idea of the atom, this infinitesimal particle of substance, and the enormous energy locked up in it. At times he thought of it as the most perfect representation in the manifest world of that divine mental or spiritual energy which pervades all things and which, when properly expressed through the minds of His children, serves so greatly to glorify God. At other times he thought of it as the very essence of this mental or spiritual energy, Spirit-mind itself! The reader will find each one of these standpoints set forth over and over--perhaps vaguely and mystically at times--but ever testifying to the alertness and vitality of Charles Fillmore's mind and his unflinching interest in everything in his world.

**Horrible Histories: Smashing Saxons (New Edition)** May 10 2021 Discover all the foul facts about the Smashing Saxons, including who got cow pats as Christmas presents, why wearing a pig on your head is lucky and how to make a dead Saxon happy. With a bold, accessible new look and revised by the author, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans.

**The Smashing Book #1** May 22 2022 The Smashing Book #1 (eBook) is the digital version of the printed book about best practices in modern Web design. The Smashing Book #1 shares technical tips and best practices on coding, usability and optimization and

explores how to create successful user interfaces and apply marketing principles to increase conversion rates. It also shows how to get the most out of typography, color and branding so that you end up with intuitive and effective Web designs. And lastly, you will also get a peek behind the curtains of Smashing Magazine. TABLE OF CONTENTS - The Art And Science Of CSS Layouts - User Interface Design In Modern Applications - Web Typography: Rules, Guidelines And Common Mistakes - Usability Principles For Modern Websites - The Guide to Fantastic Color Usage In Web Design and Usability - Performance Optimization For Websites - Design To Sell: Increasing Conversion Rates - How To Turn A Site Into A Remarkable Brand - Learning From Experts: Interviews And Insights - The Smashing Story The book is written by Jacob Gube (SixRevisions) Dmitry Fadeev (UsabilityPost) Chris Spooner (Spoongraphics) Darius A Monsef IV (COLOURlovers.com) Alessandro Cattaneo (with co-editing by Jon Tan) Steven Snell (VandelayDesign) David Leggett (UXBooth) Andrew Maier (UXBooth) Kayla Knight (regular writer on SM) Yves Peters (Typographica.org) René Schmidt (system administrator of our servers) and The Smashing Magazine editorial team, Vitaly Friedman and Sven Lennartz. The book was edited by Vitaly Friedman, editor-in-chief of Smashing Magazine.

*The Smashing Book* Nov 28 2022 These eBooks are the long-awaited digital version of our bestselling printed book about best practices in modern Web design. They share valuable practical insight into design, usability and coding, provide professional advice for designing mobile applications and building successful e-commerce websites, and explain common coding mistakes and how to avoid them. You'll explore the principles of professional design thinking and graphic design and learn how to apply psychology and game theory to create engaging user experiences.

*The Smashing Book* Oct 27 2022

**Smash It!** Oct 15 2021 Refreshingly authentic and bold... Don't miss this smashing #ownvoices novel from Francina Simone! Filled with heart, humor and a heroine to root for, *Smash It!* is a perfect read for fans of Julie Murphy, Ibi Zoboi and Ashley Poston. Olivia "Liv" James is done with letting her insecurities get the best of her. So she does what any self-respecting hot mess of a girl who wants to SMASH junior year does... After Liv shows up to a Halloween party in khaki shorts—why, God, why?—she decides to set aside her wack AF ways. She makes a list—a F\*ck-It list. 1. Be bold—do the thing that scares me. 2. Learn to take a compliment. 3. Stand out instead of back. She kicks it off by trying out for the school musical, saying yes to a date and making new friends. Life is great when you stop punking yourself! However, with change comes a lot of missteps, and being bold means following her heart. So what happens when Liv's heart is interested in three different guys—and two of them are her best friends? What is she supposed to do when she gets dumped by a guy she's not even dating? How does one *Smash It!* after the humiliation of being friend-zoned? In Liv's own words, "F\*ck it. What's the worst that can happen?" A lot, apparently. #SMASHIT

*The Elephant Who Liked to Smash Small Cars* Jun 11 2021 What is your favorite thing to do in the whole world? Whatever it is, odds are that you don't like doing it as much as the elephant in this book enjoys smashing small cars. He'll smash any small car that drives

down his road. He smashes yellow cars, he smashes blue cars, he smashes red cars, all the while singing a special car-smashing song. Then one day a man comes to town and opens a small-car store right on the elephant's road. You can probably guess what the elephant does next, but the real fun starts when the man turns the tables on the elephant—and his plan is a smashing success. Jean Merrill's story of gleeful destruction, revenge, and conciliation is accompanied by Ronni Solbert's colorful crayon drawings. Rarely has property damage looked so adorable.

Mighty Fine Words and Smashing Expressions Apr 09 2021 As if written from a point in the Atlantic exactly between Britain and the United States, this engaging and often witty book catalogs the differences between the "two" languages by taking a culturally neutral stance.

**Smashing Node.js** Aug 01 2020 Learn to make more efficient apps, with just one language! Smashing Node.js: JavaScript Everywhere equips you with the necessary tools to understand Node.js and its uses in developing efficient web apps. With more traditional web servers becoming obsolete, having knowledge on servers that achieve high scalability and optimal resource consumption using Node.js is the key to your app development success. Teaching you the essentials to making event-driven server-side apps, this book demonstrates how you can use less space and take less time for communication between web client and server. Contains numerous hands-on examples Explains implementation of real-time apps including Socket.IO and HTML5, and WebSockets Addresses practical Node.js advantages from specific design choices Demonstrates why knowledge and use of JavaScript is beneficial Includes an interactive online component with sample chapters Explains components of stand out apps including brevity and benchmarks Looking to enhance your abilities even further? Smashing Node.js: JavaScript Everywhere makes developing server-side apps accessible with its focus on JavaScript, open source, and easy-to-use language.

**Smashing Plates** Jan 26 2020 An award-winning London chef presents a collection of modernized Greek recipes based on traditional flavors, drawing on her experience in village kitchens and gardens to provide such options as Zucchini-Coated Calamari, Watermelon Mahalepi and Marinated Lamb with Feta Curd.

Banning the Bomb, Smashing the Patriarchy Dec 25 2019 "After decades of campaigning, with the help of activists and diplomats, in 2017 the United Nations in New York signed the Nuclear Weapon Ban Treaty. This book covers the story of their collective activism—a story of courage and hope, as well as lessons learned, that will inform and inspire others working for social justice"--

Inclusive Design Patterns Nov 16 2021 We make inaccessible and unusable websites and apps all the time, but it's not for lack of skill or talent. It's just a case of doing things the wrong way. We try to build the best experiences we can, but we only make them for ourselves and for people like us. This book looks at common interface patterns from the perspective of an inclusive designer—someone trained in building experiences that cater to the huge diversity of abilities, preferences and circumstances out there. There's no such thing as an 'average' user, but there is such a thing as an average developer. This book will take you from average to expert in the area

that matters the most: making things more readable and more usable to more people.

Smashing Barriers May 30 2020 This book blends an insider's critique of the race politics of the sports industry with an activist's crusade against racial injustice.

Absolutely Smashing It Dec 05 2020 Gemma is only just holding it together, she's a single parent, she's turning 40 and her seven-year-old daughter has drawn a cruelly accurate picture which locates Gemma's boobs somewhere around her knees. So when her new next-door neighbour, Becky, suggests that Gemma should start dating again, it takes a lot of self-control not to laugh in her face. But Becky is very persuasive and before long Gemma finds herself juggling a full-time job, the increasingly insane demands of the school mums' Facebook group and the tricky etiquette of a new dating world. Not only that, but Gemma has to manage her attraction to her daughter's teacher, Tom, who has swapped his life in the City for teaching thirty six to seven year olds spelling, grammar, basic fractions, and why it's not ok to call your classmate a stinky poo-bum ... It's going to be a long year, and one in which Gemma and Becky will learn a really crucial lesson: that in the end, being a good parent is just about being good enough.

*Smashing HTML5* Mar 28 2020

**The Elephant Who Liked to Smash Small Cars** Nov 23 2019 What is your favorite thing to do in the whole world? Whatever it is, odds are that you don't like doing it as much as the elephant in this book enjoys smashing small cars. He'll smash any small car that drives down his road. He smashes yellow cars, he smashes blue cars, he smashes red cars, all the while singing a special car-smashing song. Then one day a man comes to town and opens a small-car store right on the elephant's road. You can probably guess what the elephant does next, but the real fun starts when the man turns the tables on the elephant—and his plan is a smashing success. Jean Merrill's story of gleeful destruction, revenge, and conciliation is accompanied by Ronni Solbert's colorful crayon drawings. Rarely has property damage looked so adorable.

**Smashing Grammar** Feb 25 2020 'Few people understand Grammar like Craig Shives. Best of all, no one explains it so well and so easily.' - Chief Executive of Crimestoppers and former Director of the Intelligence Corps, Mark Hallas OBE Written by a former British Army officer (also the founder of the popular website Grammar Monster), Smashing Grammar is both a go-to grammar guide and a primer for writing clear English. Smashing Grammar is divided into three sections: A-Z of Punctuation, A-Z of Grammar Essentials and A-Z of Easily Confused Words. Every entry starts with a simple explanation and some basic examples. These are followed by real-life, engaging examples, which have been painstakingly hunted down for their ability to illustrate the point. Every entry concludes with a 'Why Should I Care?' section offering great tips and advice and explaining why the grammar point matters to a writer. Imbued with 'barrack room' humour, the writing itself is entertaining and often laugh-out-loud funny, with thousands of sample quotations ranging from Groucho Marx and Homer the Simpson to Karl Marx and Homer the Greek.

**The Smashing Idea Book** Jul 24 2022 Presents a collection of design ideas and more than seven hundred examples from websites to

help create an effective Web site.

**The Smashing Scroll** Jan 18 2022 An ancient curse sends a stone silo crashing across the countryside. Houses, barns, and cars are crushed in its path. The silo contains a giant scroll, sent by the foul Spellbinder to imprison the earth within its vast page. Even the mighty Librarian is overpowered by the Spellbinder's magic. This special 10th anniversary edition features never-before-published content, including a prologue and epilogue, while a glossary, writing prompts, and discussion questions offer reading support.

**Smashing UX Design** Sep 26 2022 The ultimate guide to UX from the world's most popular resource for web designers and developers Smashing Magazine is the world's most popular resource for web designers and developers and with this book the authors provide the ideal resource for mastering User Experience Design (UX). The authors provide an overview of UX and User Centred Design and examine in detail sixteen of the most common UX design and research tools and techniques for your web projects. The authors share their top tips from their collective 30 years of working in UX including: Guides to when and how to use the most appropriate UX research and design techniques such as usability testing, prototyping, wire framing, sketching, information architecture & running workshops How to plan UX projects to suit different budgets, time constraints and business objectives Case studies from real UX projects that explain how particular techniques were used to achieve the client's goals Checklists to help you choose the right UX tools and techniques for the job in hand Typical user and business requirements to consider when designing business critical pages such as homepages, forms, product pages and mobile interfaces as well as explanations of key things to consider when designing for mobile, internationalization and behavioural change. Smashing UX Design is the complete UX reference manual. Treat it as the UX expert on your bookshelf that you can read from cover-to-cover, or to dip into as the need arises, regardless of whether you have 'UX' in your job title or not.

**Smashing It** Feb 07 2021 Working-class artists are hugely under-represented in the arts industries, facing extra challenges from unpaid work to prejudice, though they make up a third of the British population. How can we break this cycle of inequality? Smashing It celebrates the achievements of working-class artists in Britain, from the global takeover of Grime musicians to the literary powerhouses pushing representative narratives, also showcasing their works. Offering guidance and inspiration, leading musicians, playwrights, visual artists, filmmakers and writers share how they overcame obstacles, from the financial to the philosophical, to make it in the arts. An essential read, Smashing It will empower those who will be a part of tomorrow's bigger picture.

**The Smash-Up** Nov 04 2020 Smart, sublime, and wickedly clever, The Smash-Up captures—then transcends—our current polarized moment “An exhilarating ride . . . hilarious . . . a modern and energetic story about a marriage on the skids.”—The New York Times Ethan has always been one of the good guys, and for years, nobody has appreciated this fact more than his wife, Zo. Until now. Jolted into activism by the 2016 election, Zo's transformed their home into the headquarters for the local resistance, turning their comfortable decades-long marriage inside-out. Meanwhile, their boisterous daughter, Alex, grows wilder by the day. Ethan's former business

partner needs help saving the media company they'd co-founded. Financial disaster looms. Enter a breezy, blue-haired millennial making her way through the gig economy. Suddenly Ethan faces a choice unlike any he's ever had to make. Unfolding over five turbulent days in 2018, *The Smash-Up* wrestles shrewdly with some of the biggest questions of our time: What, exactly, does it mean to be a good guy? What will it take for men to break the "bro code"? How does the world respond when a woman demands more? Can we ever understand another's experiences... and what are the consequences of failing to try? Moving, funny, and cathartic, this portrait of a marriage—and a nation—under strain is, ultimately, a magic trick of empathy, one that will make you laugh and squirm until its final, breathless pages.

**Science Encyclopedia** Aug 25 2022 Offers an illustrated encyclopedia of general science, with informative and fun facts on a broad array of scientific topics.

*Smashing the Liquor Machine* Dec 17 2021 When most people think of the prohibition era, they think of speakeasies, gin runners, and backwoods fundamentalists railing about the ills of strong drink. In other words, in the popular imagination, it is a peculiarly American event. Yet, as Mark Lawrence Schrad shows in *Smashing the Liquor Machine*, the conventional scholarship on prohibition is extremely misleading for a simple reason: American prohibition was just one piece of a global wave of prohibition laws that occurred around the same time. Schrad's counterintuitive global history of prohibition looks at the anti-alcohol movement around the globe through the experiences of pro-temperance leaders like Thomas Masaryk, founder of Czechoslovakia, Vladimir Lenin, Leo Tolstoy, and anti-colonial activists in India. Schrad argues that temperance wasn't "American exceptionalism" at all, but rather one of the most broad-based and successful transnational social movements of the modern era. In fact, Schrad offers a fundamental re-appraisal of this colorful era to reveal that temperance forces frequently aligned with progressivism, social justice, liberal self-determination, democratic socialism, labor rights, women's rights, and indigenous rights. By placing the temperance movement in a deep global context, he forces us to fundamentally rethink all that we think we know about the movement. Rather than a motley collection of puritanical American evangelicals, the global temperance movement advocated communal self-protection against the corrupt and predatory "liquor machine" that had become exceedingly rich off the misery and addictions of the poor around the world, from the slums of South Asia to central Europe to the Indian reservations of the American west. Unlike many traditional "dry" histories, *Smashing the Liquor Machine* gives voice to minority and subaltern figures who resisted the global liquor industry, and further highlights that the impulses that led to the temperance movement were far more progressive and variegated than American readers have been led to believe.

*New Perspectives on Web Design* Sep 02 2020 The book is focused around practical techniques, strategies and approaches. Will feature valuable insights into large-scale projects, adaptive interfaces, customer support, user psychology and typography. Will also uncover smart front-end strategies, obscure back-end techniques and find out what it takes to improve website performance for faster

and more robust apps.

Smashing Statues: The Rise and Fall of America's Public Monuments Jun 23 2022 A leading expert on the past, present, and future of public monuments in America. An urgent and fractious national debate over public monuments has erupted in America. Some people risk imprisonment to tear down long-ignored hunks of marble; others form armed patrols to defend them. Why do we care so much about statues? Which ones should stay up and which should come down? Who should make these decisions, and how? Erin L. Thompson, the country's leading expert in the tangled aesthetic, legal, political, and social issues involved in such battles, brings much-needed clarity in *Smashing Statues*. She lays bare the turbulent history of American monuments and its abundant ironies, from the enslaved man who helped make the statue of Freedom that tops the United States Capitol, to the fervent Klansman fired from sculpting the world's largest Confederate monument—who went on to carve Mount Rushmore. And she explores the surprising motivations behind contemporary flashpoints, including the toppling of a statue of Columbus at the Minnesota State Capitol, the question of who should be represented on the Women's Rights Pioneers Monument in Central Park, and the decision by a museum of African American culture to display a Confederate monument removed from a public park. Written with great verve and informed by a keen sense of American history, *Smashing Statues* gives readers the context they need to consider the fundamental questions for rebuilding not only our public landscape but our nation as a whole: Whose voices must be heard, and whose pain must remain private?
